

MUHAMMAD AHMAD | 哈马迪

SMME | INFLUENCER MARKETING MANAGER

I hold a Master of Philosophy in Business Administration with 1.5 years of experience as an Influencer Marketing Manager and also as SMME. I am skilled in Administration, Marketing, and Management, and have completed various technical courses to enhance my practical abilities. With a strong understanding of market trends and research methods, I am committed to delivering impactful results in dynamic, fast-paced environments across any organisation. I continuously strive to grow both professionally and personally.
